

Menu

We do not provide fast food, we produce top quality home-made food that may take a little while longer to prepare but we are sure that you will agree that it is worth the wait.

All our products are sourced as locally as possible - **FJ Scriven & Sons of Langport** supply all our other meat products. Our ice cream comes from **Granny Gothards** and our bread comes from **Upper Crust Bakery**. We also use **Roberts Fishmongers** and **West Country Foods** supply the majority of our vegetables. Our latest addition to our product range is the introduction of our own blend of coffee supplied by **Brazier Coffee Roasters** of West Hatch.
